**Commissioner Blythe**

1. Requested that the person who coordinates the Charity Tracker Program on behalf of the city come to the next commission meeting to give an update and appeal to those organizations again to join this program. Mr. Thomas responded that he met with the lady that is in charge of that program a couple of weeks ago and agreed that the program needed more participation, but felt that it was appropriate to ask her to attend the next meeting.

2. Business License- Commissioner commented that about 3 years ago the city updated its business license ordinance and remembered there were many discussions on teenagers doing business such as shoveling snow or mowing lawns. He commented that he remembered there were extensive discussions on these citizens, and if they needed a business license. He suggested that the city go back and review that ordinance. Mayor responded that he would hope that there would be common sense when people see these teenagers working that they aren't making a living such as a business and need a license. Commissioner Morgan commented that it's a lesson of hard work.

**Commissioner Morgan**

1. Requested that if any citizen complaints are brought to the Commission that he be notified and not caught off guard.

**Mayor Barnes**

1. Commended community for staying off the streets during the snow last week, and reminded the community that spring weather is right around the corner.

**Adjournment: 6:44 p.m.**
